SIR,

In inviting attention to my letter No. 3937 of the 21st January last requesting to be informed whether, considering the small balance available out of the amount of the Civil list for the current official year, I may allow the Palace Controller to overdraw to the extent he may require for expenditure till the end of the year, I have the honor to state that the letter of credit for Rs 80,000/- issued on the requisition of the Palace Controller for Palace expenses for March is exhausted in full the amount of the Civil list. I request therefore that you will be so good as to obtain early orders of Government whether the usual credit may be afforded for April, in anticipation of formal orders of Government.

I have the honor to be

Sir,
Your most obedient servant.
